

The Shamrock Shakeup

Celebrating 70 years of the Shamrock Curling Club

Greetings, Shamrockers!

Welcome back to another exciting season at the Shamrock Curling Club - and not just any season! This year, we are proudly celebrating our 70th anniversary marking seven decades of curling, camaraderie and community spirit.

The first month of the season has already been busy and successful. It's been wonderful to see the ice buzzing with activity; New members taking their first slides to long term teammates reuniting after the summer break.

We have a fun and full season ahead filled with events, learning and celebrating. Keep your eyes on our socials and your email for all the details on special events, Pro shop promos and all things Shamrock!

Community Giving Spotlight

Shamrock Curling Club would like to invite you to participate in our community giving opportunities. You will find marked bins throughout the club for collected donations over the course of November and December

Edmonton Food Bank November 24 - December 19

The Edmonton Food Bank provides food for about 40,000 people each month in Edmonton. The need for non perishable food items has increased significantly in the last year, so all donations are appreciated. Please consider helping this important organization.

Page the Cleaners Coat for Kids and Families October 20 - November 30

Each winter The Shamrock collects **warm coats, mitts, hats and socks** for families who need them. This initiative started in 1992 in response to the overwhelming need for winter wear in our community. Unfortunately acquiring warm winter clothing is still a challenge for many families. This year Page the cleaners has taken over the United way campaign and Shamrock is proud to be a drop off location for this initiative.

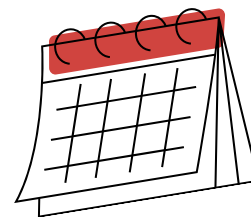

Our Juniors Program needs you!

Juniors curling at the Shamrock has grown in the last couple of years and we are so excited to see the next generation of enthusiastic curlers take the ice!

We are looking for individuals to help on the ice Sunday afternoons 1:30-3:30. No coaching experience needed!
