January Curling: Halfway Through the Season

Hello Shamrock Community,

As we settle into 2025, we're excited to look back on this seasons highlights so far and continue enjoying the second half. Whether you are refining your skills on the ice or cheering from the sidelines, we're grateful for your continued passion and support of the Shamrock.

The start of our year included our Doubles and Dinner event, the 2nd Annual Wrappers Delight Holiday Market, ESSC's (Edmonton Sport and Social Club) Funspiel and many holiday parties. Upcoming, we are excited to present Shamrocks Triples and Nibbles event on February 8! We'll also welcome the 71st Annual Edmonton International Oilmens Bonspiel in March as well as the Canadian Firefighters Curling Association Finals.

We love hosting your events and are already starting to book for our 2025-26 season!

Thank you to everyone who continues to wear clean shoes on the ice surface. A reminder to please continue to **remove all outdoor footwear** at the door and place on the provided shelves or in a cubby. Your attention to this is very appreciated by our ice technicians, cleaning staff and your fellow curlers.

Moving into the last couple months of our season, we are excited to continue showcasing our Pro Shop, beer tasting opportunities from local breweries and of course more league play.

Please note that if you are interested in Edmonton and area curling events to check the board near the West ice doors for various offerings around the city

See you on the ice!
