

The Shamrock Shakeup

Wrapping Up: Another Season in the Books

Greetings Shamrock Curling Family,

As we wrap up another successful curling season, we want to take a moment to reflect on the achievements, growth and camaraderie and, as always, the spirit of community that makes Shamrock a special place for all who participate.

Looking back on a Fantastic Season:

This year has been filled with exciting events, tournaments and social gatherings. From our weekly league play to special events; the energy in the rink has been nothing short of incredible. We've seen some fantastic performances on the ice and enjoyed many great moments of sportsmanship and team spirit off the ice.

We'd like to take this opportunity to thank all our members, volunteers and supporters for their dedication and enthusiasm.

Celebrating Our 70th Anniversary!

We are thrilled to announce that the upcoming season will mark a significant milestone - Shamrock Curling Clubs 70th anniversary! Reflecting on our rich history, we are reminded of the strong community and enduring spirit that have defined our club over the decades. Keep your eyes on the website and socials to see what events we have planned to celebrate with our curling fans old and new.

From all of us here at the Shamrock, we wish you all a happy, healthy summer. We can't wait to see you all again next season!

In this newsletter you can expect:

General Information

League Winners

Congratulations to all our league winners from the 2024-25 season!
After weeks of intense and fun competition each league had an emerging winner that showcased skill, teamwork and sportsmanship. Their dedication and determination paid off, securing them the top spots in their respective leagues.

Well done to all teams for an exciting season and here's to more thrilling games next year!
